

Guillermo Pelayo Olmos

Presentation & Editorial Designer / Workflow Coordinator

Profile

Hello! I am a professional designer with 14 years of experience; I specialize in design, typography, publishing, and project/creative management. I combine design with my background as a marketer to help companies achieve their business goals using research-based strategies, data management, and user-centered experience.

Work experience

Associate Presentation Designer / Workflow Coordinator, Oliver Wyman, Mexico City
July 2023 — Present

- Coordinate the design workflow: receive incoming requests, liaise with consultants and clients to clarify scope and deadlines, and assign and distribute work across the design team.
- Track progress and review deliverables before they go back to clients, ensuring quality, brand consistency and on-time delivery.
- Designing client-ready presentations for a wide range of governments and industries
- Working on projects directly with clients, fulfilling their requests
- Working with teams to ensure projects and brand alignment
- Conducting meetings, collaborating with clients and team members

Editorial and design coordinator, Publishing office, Universidad de las Américas Puebla
March 2017 — April 2023

- Responsible for overseeing client expectations and managing project schedules
- Working with the creative production process to ensure deadlines are met
- Working hand-in-hand with the printing studio, fulfilling requests, and managing printing production
- Responsible for ensuring compliance with brand standards and maintaining design quality

Editorial coordinator designer, *The Insighters Magazine*, Puebla (issuu.com/theinsightersmx)
2015 — 2017

- Responsible for ensuring adherence to brand guidelines and design quality
- Coordinating the process and the design team
- Working directly with clients, fulfilling their requests, and delivering to the designers

Designer, Enigma Diseño, Puebla
2011 — 2014

- Graphic designer in charge of programming the websites: Norte Integration and Implementation (norte-ii.com) and the postgraduate page of the Universidad Iberoamericana Puebla (iberopuebla.edu.mx/educacionContinua).
